## EXECUTIVE SUMMARY

Results-driven Team Lead with proven experience across customer service, sales, and escalation management in the BPO industry, currently expanding expertise into the collections domain. Recognized for leading high-performing teams, strengthening client relationships, and resolving complex customer issues while consistently meeting operational and revenue targets.

Brings a disciplined, performance-focused mindset with hands-on experience in process improvement, KPI management, and people development. Adept at balancing customer empathy with business priorities, driving compliance, productivity, and recovery outcomes. Committed to operational excellence, continuous improvement, and delivering measurable results in a fast-paced collections environment.
